

[ Application guidelines ]

The Alexandre and Gaston Tytgat Foundation Award will be presented for the seven-teenth time in 2025. The award carries a prize of €25,000, recognizing and supporting outstanding scientific research in the field of cancer—its causes, mechanisms, and treatments.

Empowering researchers,  
advancing cures.

[ Application Requirements ]

Applicants must submit:

- 01. A summary of the work (max. 10 pages) in English, French, or Dutch. The summary should highlight the originality of the candidate's contribution compared with other works in the same field.
- 02. A curriculum vitae, including a full list of publications, with clear references to the results cited in the summary.
- 03. An explanatory note (1 page), written in simple terms, explaining the importance of the work. At the donors' request, this note must be provided in French.

[ Submission ]

Applications must be submitted in five copies and addressed to:

Professor Marc Parmentier  
President of the Scientific Committee – Tytgat Award  
  
ULB IRIBHM  
Campus Erasme  
808, Route de Lennik  
1070 Brussels – Belgium
